

INVEST IN SOMETHING BIGGER

Big Brothers
Big Sisters®
OF ATLANTIC &
CAPE MAY COUNTIES

At Big Brothers Big Sisters, we create and support one-to-one mentoring relationships that ignite the power and promise of youth.

THE POWER OF OUR MISSION

We unite young people (Littles) with caring, positive adult role models (Bigs) in professionally supported one-to-one mentoring friendships.

Together, our Bigs and Littles clear a path to success by **breaking societal barriers, closing opportunity gaps and overcoming adversities** like poverty and identity-based discrimination in our local communities.

We serve kids 6-18 in **Atlantic and Cape May Counties**

Our agency supports **200 Littles and Bigs** each year

Our mentoring programs are **100% free** to our families

YOUR IMPACT

Our corporate sponsors are essential partners in fulfilling our mission for local children facing adversity. By becoming a corporate partner you will not only lend support to those in need in our community, but you will gain unique opportunities to showcase your brand to Big Brothers Big Sisters supporters and to the general public in Atlantic and Cape May Counties.

ABOUT OUR PROGRAMS

STEP 1

Learn about our mentoring programs

We have two types of mentoring programs: community-based and site-based. Here's a general outline of the process to join our community-based mentoring programs.

1 Parents/guardians **submit an application**. There is no cost for their child to be in our program.

4 **Volunteers and children are matched** by BBBS Staff members based on personality, preferences, and location.

2 A BBBS staff member **interviews the child** and parents/guardians. Parents/guardians are also trained in child safety.

3 **Volunteers are vetted** through an extensive interview process, a multi-layer background check, and reference checks.

5 Bigs and Littles **spend four hours a month together** doing no cost or low cost activities. BBBS staff have regular contact to ensure the safety and success of the relationship. Activities include riding bikes, playing sports, or doing a craft.

PROOF IN NUMBERS

By helping children develop supportive relationships with positive role models, we make a **direct and lasting impact** on their lives.

SOCIAL & LIFE SKILLS

93% of Littles believe they can say no to drugs, violence and skipping school

EDUCATIONAL IMPROVEMENT

91% of Littles have better grades, academic goals and confidence

FUTURE SUCCESS

83% of Littles plan to graduate high school and college

MATCH SPOTLIGHT

Big Sister Terri and Little Sister Mattison

>> Matched in 2015 when Mattison was 7 years old

Growing up as an only child in a single-parent household, Mattison was extremely shy and had struggled with a lot of anxiety, especially whenever she wasn't right by her mom's side. With a lot of patience and perseverance, Terri was able to gently encourage Mattison to overcome some of her fears and anxieties.

"She was patient with me, knowing that I was worried about everything. 4.5 years later, we have become good friends and I no longer worry like I once did." –Little Sister Mattison

The pair have done many fun activities over the years including going to a play, reading at the library, making jewelry, and even teaching Mattison to ride a bike!

MATCH SPOTLIGHT

Big Brother James and Little Brother Daylen

>> Matched in 2018 when Daylen was 14 years old

As a single mother of three with Daylen being the only male in the house, his mom felt it was crucial for him to have a positive male role model to spend time with, especially since his father is not in his life.

"There's true comfort in knowing your Big is there for you whenever you need them. James and I push each other to our limits and break down our boundaries together. Bigs are extremely influential and the lessons we learn from them mold us in ways we don't realize until we see our growth." –Little Brother Daylen

James is excited to be right by Daylen's side to witness the incredible things he'll undoubtedly accomplish in his life.
