Dear Community Partner,

On **Monday, October 5**, Big Brothers Big Sisters of Atlantic & Cape May Counties will host the inaugural **Golf Classic** event at Blue Heron Pines Golf Club in Egg Harbor Township to raise funding and awareness for our youth mentoring programs. **We are currently seeking event sponsors and hope you will consider helping us make this exciting community event a BIG success.**

The BBBS Golf Classic will bring together community members, local businesses, and supporters for a fun-filled event benefiting the life-changing mentorship programs of Big Brothers Big Sisters. Your support will help ensure that more children have access to a caring mentor who can help them build confidence, make positive choices, and reach their full potential.

Big Brothers Big Sisters is proud of the impact our programs have on the children we serve. In 2025, **the 177 youth who participated in our mentoring programs showed great promise:**

- 70% feel better accepted by their peers
- 70% have stayed on track or improved their academic performance
- 90% believe they will graduate high school and pursue higher education, a career, or military service
- 95% can manage their emotions in a positive way

With your partnership, we can continue creating and supporting these life-changing mentoring relationships throughout Atlantic and Cape May Counties.

Can you imagine the ripple effect this change will have in our community as these children grow?

Our sponsorship form is enclosed, and we greatly appreciate your consideration.

Please feel free to reach out if you have any questions or would like more information about the event.

Kindest regards,

Sarah Roorda
